

Everybody needs a role model

👁 24 ✓ 3 ⭐ 4

Chapter 1 by Gerald Hodges

In high school, I was fortunate to have my cousin Nadeh, already in college then from whom I drew my motivation to go to college. Nadeh was my role model and because of her, I successfully transitioned to college.

Chapter 2 by Aaron Hartmann

I am fortunate because many people don't have a role model. They have to figure everything out on their own. I bet I wouldn't do too well if my cousin wasn't in college. I guess what I am trying to say is, find your role model.

Chapter 3 by Windlion

Something else that really helps is *being* a role model, paying it forward for the people whose example you through the tough times. Who is looking at you, watching how you walk the highway?

They're thinking, "so, that's how it's done, that's how I'm going to be."
